CAUSE NO. 42488

FEB 10 2004

**INDIANA UTILITY
REGULATORY COMMISSION**

You are hereby notified that on this date the Indiana Utility Regulatory Commission has caused the following entry to be made:

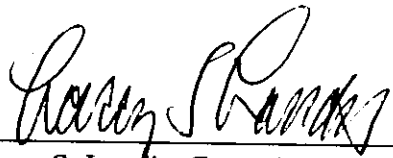

On January 20, 2004, Intervenor Lakes of the Four Seasons filed with the Commission its "Motion for Continuance of Evidentiary Hearing." In its Motion, Intervenor requests that the Commission reschedule the evidentiary hearing from February 24, 2004 to some time in early March. Intervenor indicates that the Petitioner does not agree with Intervenor's request and instead proposes that the hearing date be advanced by a week.

On January 27, 2004, Petitioner Twin Lakes Utilities, Inc. filed with the Commission its "Response to Intervenor's Motion for Continuance." In its Response, Petitioner confirms that it offered to reschedule the evidentiary hearing date to the previous week and disputed arguments made by the Petitioner as to why that might not be practical. Petitioner alleges that delaying the hearing beyond the scheduled February 24, 2004 hearing date would materially prejudice Petitioner in that it would further delay the relief requested in this Cause.

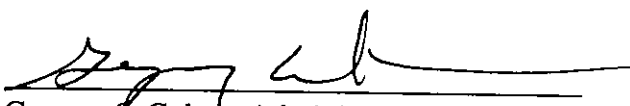

On January 30, 2004, Intervenor filed with the Commission its "Reply to Petitioner's Response to Intervenor's Motion for Continuance." In its Reply, Intervenor disputes whether a one week delay in the hearing would materially prejudice Petitioner.

Upon reviewing the above pleadings, the presiding officers now determine that the evidentiary hearing in this Cause should be continued from February 24, 2004 to March 4, 2004, beginning at 10:00 a.m. in Room E-306 of the Commission's offices.

IT IS SO ORDERED.

Larry S. Landis, Commissioner

Gregory S. Colton, Administrative Law Judge
